Representing the Professional Illinois Interior Design Community

NEW MEMBERSHIP AND MEMBERSHIP RENEWAL FORM

IIDC is a not-for-profit, registered political action committee. Founded in 1986, IIDC serves as an advocate protecting the public's health, safety and welfare through the Illinois Interior Design Title Act. IIDC depends upon each and every member for financial support and voluntary participation at the committee level. Political advocacy is an on-going business necessity, protecting the public as well as your legislative business visibility and voice.
